

# 2026 America's Most Trusted® Rankings Highlight Leaders in Home Mechanical Products

*LiftMaster, InSinkErator, and Bosch Lead 2026 Trust Rankings in Home Systems*

NEWPORT BEACH, CA, UNITED STATES, January 8, 2026 /EINPresswire.com/ -- Lifestory Research today announced the results of its 2026 America's Most Trusted® Installed Home Systems & Mechanical Products studies, identifying the brands consumers trust most across four core categories: garage door openers, garbage disposals, tankless water heaters, and traditional water heaters. These shopper-driven findings reflect the opinions of people actively evaluating products that play a central role in home function, comfort, and long-term reliability.

Across these categories, the 2026 results show that trust is strongly associated with perceptions of durability, performance consistency, service reputation, and ownership experience. For many consumers, trusted brands are those they believe will operate dependably over time and deliver value in daily home use.

**LiftMaster Ranked America's Most Trusted® Garage Door Opener Brand**

LiftMaster was identified by Lifestory Research as America's Most Trusted® Garage Door Opener Brand in 2026. With a Net Trust Quotient Score of 116.7 and a five-star trust designation, LiftMaster earned the highest overall trust rating among the most widely recognized garage door opener brands. The findings are based on 4,763 opinions from individuals across the United States who reported actively shopping for garage door openers during the past 12 months.
