

Global Knee Summit to convene world leaders in knee surgery and sports medicine in Dubai from January 22-24, 2026

The three-day Summit brings 125 Globally recognized Orthopaedic surgeons, sports medicine specialists, therapists, physicians, researchers, from the Middle East

DUBAI, DUBAI, UNITED ARAB EMIRATES, January 10, 2026 /EINPresswire.com/ -- The [Global Knee Summit](#), a MECOMED CVS approved congress, the world's premier international gathering dedicated exclusively to advancing knee health, innovation, and surgical excellence with world-class medical and scientific exchange is hosting its inaugural meeting January 22-24, 2026, in Dubai.

Kevin Plancher MD, Founder of the Global Knee Summit

This three-day first ever Summit brings together 125 Globally recognized faculty and Orthopaedic surgeons, sports medicine specialists, fellows, residents, physical therapists, physician assistants, rehabilitation professionals, researchers, from the Middle East region and beyond. Joining us will be our global industry partners to collaborate on the latest research, technologies, and clinical strategies shaping the future of knee preservation, traumatic reconstruction, and knee arthroplasty.

This year's program features expanded sections on: Knee Arthroplasty & Robotics with live surgery; A dedicated advanced ultrasound workshop with live models; Sports Medicine: Ligament, Meniscus & Cartilage Restoration; Biologics & Regenerative Medicine; Rehabilitation, Return-to-Sport & Performance Medicine

Attendees will have dedicated time each day to engage with industry partners in a dynamic exhibit hall showcasing the newest advances in implants, technologies, biologics,

instrumentation, and intraoperative digital tools.

“The Global Knee Summit is built on a vision of bringing together the most forward-thinking minds in knee surgery and rehabilitation to elevate patient outcomes worldwide,” said Kevin Plancher MD MPH Course and Founder of the Global Knee Summit. “Our mission is simple: to challenge, educate, innovate, and ultimately improve the lives of the patients.”

Parag Sancheti MD Course and Program Chair, added: “Dubai serves as an ideal location for convening experts from every corner of the globe.

Its accessibility, infrastructure, and international medical community allow us to foster the cross-cultural collaboration that drives meaningful scientific progress.”

The global knee care market in 2025 is valued at approximately US\$20 billion, encompassing various segments such as knee replacement, knee implants, and osteoarthritis treatments

Event highlights include: Live Surgeries broadcast directly from leading surgical centers across the globe; Heated debates on controversial topics in knee arthroplasty and sports surgery; Case panel sessions presenting complex real-world clinical scenarios; Hands-on workshops including robotics, ultrasound, biologics, and advanced surgical techniques; Industry Innovation Theater featuring next-generation technologies; Awards & Recognition Ceremony honoring global leaders in knee surgery

“

The Global Knee Summit is built on a vision of bringing together the most forward-thinking minds in knee surgery and rehabilitation to elevate patient outcomes worldwide”

Kevin Plancher MD

About the Global Knee Summit

The Global Knee Summit is committed to elevating global

standards of [knee care](#). Through a dynamic combination of evidence-based lectures, hands-on training, live surgeries, debates, and technology-driven demonstrations, the Summit empowers clinicians across all career stages to enhance their expertise and deliver better outcomes to patients worldwide.

The Summit is accredited for Continuing Medical Education (CME) and Continuing Education Units (CEU), ensuring high-quality, scientifically rigorous programming for all participants.
