

# Discover Altitude Treks Announces Exclusive 2026 Discounts on Manaslu Circuit Trek as It Rises to Nepal's #2 Adventure

*Discover Altitude Treks announces 2026 Manaslu Circuit discounts as the trek ranks #2 among Nepal's top adventure destinations.*

KATHMANDU, BAGMATI, NEPAL, January 8, 2026 /EINPresswire.com/ -- The [Manaslu Circuit Trek](#) has rapidly emerged as Nepal's second most popular trekking route after the [Everest Base Camp Trek](#), attracting a growing number of international adventurers seeking an authentic Himalayan experience, according to trekking industry experts at [Discover Altitude Treks](#).

Discover Altitude Treks, a leading trekking agency in Nepal, is excited to offer exclusive discounts for the 2026 season on the Manaslu Circuit Trek. Ranked as Nepal's second most popular trekking route after the Everest Base Camp Trek, the Manaslu Circuit has rapidly gained fame for its stunning landscapes, cultural richness, and relatively quieter paths.

The trek, which circumnavigates the eighth-highest mountain in the world, Manaslu (8,163 meters), provides trekkers with the opportunity to explore remote villages, dense forests, and alpine meadows, all while enjoying breathtaking views of snow-capped peaks. As more travelers seek alternative, off-

From the pass to Bhimtang, adventure flows downhill

the-beaten-path adventures, the Manaslu Circuit Trek is quickly becoming one of the top choices for those looking for a more serene and authentic Himalayan experience.

#### Exclusive Discounts for 2026

To celebrate the growing popularity of the Manaslu region, Discover Altitude Treks is offering exclusive discounts for 2026 bookings. These limited-time offers apply to both group and private treks, with special deals for early reservations. Customized itineraries will also be available for all skill levels, ensuring a personalized experience for every trekker.

At Larke Pass — a dream come true

“We’re thrilled to offer trekkers the chance to experience the Manaslu Circuit at an affordable price,” said Santosh Baniya, founder and CEO of Discover Altitude Treks. “Our goal is to provide a unique, less crowded trekking experience, while supporting the local communities and preserving the environment.”

#### Sustainable and Authentic Trekking

Discover Altitude Treks is committed to sustainable tourism, working with local guides and porters to ensure that their trekking activities benefit both the environment and local communities. The company emphasizes eco-friendly practices, helping to preserve the pristine beauty of the region.
