Hemp Shield’s New Innovations for your wood care and protection

Hemp Shield Finish Remover

The Hemp Shield [Exterior Finish Remover](#) is eco-friendly for stripping old finishes from wood surfaces. It is used to remove stains and heavy, weathered paint or to clean a dirty deck. This extra-strong product complements power washing and sanding. Use this product for vertical and

horizontal applications.

Benefits of Hemp Shield Finish Remover

It removes deteriorated coating, including siding and aluminum

It cleans the surface with the formula to cling to vertical surfaces

It cleans, removes, and etches aluminum siding in one easy step.

It's a safer, cost-effective alternative to traditional removal methods.

Hemp Shield [Wood Deck Cleaner](#)

The Hemp Shield Wood deck cleaner tackles the toughest dirt, mold, and mildew, restoring the natural beauty of your wood. This biodegradable formula is safe for the environment while being tough on grime. It's perfect for decks, fences, siding, and outdoor furniture.

Benefits of Hemp Shield Wood Deck Cleaner

It revives the beauty of wood by removing the weathering effect.

It dissolves old and fades semi-transparent stains and watermarks.

The wood deck cleaner removes mildew and deteriorates wood cells.

It is ideal for decks, fences, patios, and exterior wood surfaces.

Hemp Shield Wood Brightener

After cleaning your wood, bring out its natural brilliance with Hempshield Exterior Wood Brightener. The Hemp Shield Wood Brightener neutralizes stains and restores the original weathered wood color. It's an essential step in the wood restoration process and ensures an even finish when you apply a sealer.

Benefits of Hemp Shield Wood Brightener

It brings out the natural brilliance and features of the wood grain.

It is ideal as a standalone brightener or a follow-up to Deck Cleaner.
