SCHIPHOL, AMSTERDAM,  
NETHERLANDS, January 9, 2026  
/EINPresswire.com/ -- Schiphol Taxi  
Prices Just Dropped — Here's What  
Changed

Getting to Amsterdam Schiphol Airport shouldn't cost you a fortune. And it definitely shouldn't involve guessing what the final price will be.

Goedkoopnaarschiphol.nl just launched a new smart booking system that cuts taxi prices and shows you the exact fare before you book. No meters.

No surprises. You enter your postcode, see the price, and that's what you pay.

The system works for pickups anywhere in the Netherlands. Whether you're heading to Schiphol for an early morning flight or need a ride home after landing at 2 AM — same fixed price, no night surcharges.

“

With Goedkoopnaarschiphol.nl, our ambition is to make Schiphol Taxi travel more affordable, reliable, and accessible for every traveler.”
