SOUTHAMPTON, PA, UNITED STATES, January 9, 2026 /EINPresswire.com/ -- In an era where vehicle reliability is paramount, but road conditions remain unpredictable, [ARS Towing](#) is proud to announce its continued commitment to being the highest-rated towing and recovery service in Bucks County, Pennsylvania. With a focus on rapid response times, 24/7 availability, and a fleet of state-of-the-art flatbed and wheel-lift tow trucks, ARS Towing has solidified its reputation as the "[best towing in Bucks County](#)." Meeting the Growing Demand for Reliable

Towing Services in Pennsylvania. As the population of Bucks County continues to grow, so does the volume of traffic on major thoroughfares like the Pennsylvania Turnpike, I-295, and Route 1. This increase in traffic inevitably leads to more frequent mechanical breakdowns, flat tires, and traffic accidents.

ARS Towing, strategically headquartered at 505 Keystone Rd, Suite E, Southampton, PA, has optimized its dispatch operations to ensure that drivers in Southampton, Warminster, Doylestown, and Bensalem are never left stranded for long." We understand that needing a tow truck is often the result of a stressful situation," said the spokesperson for ARS Towing. "Whether it's a dead battery in the middle of a winter night or a collision during rush hour, our mission is to provide more than just a tow; we provide peace of mind. By leveraging local expertise and the latest in GPS dispatching technology, we've reduced our average response times, making us the first choice for anyone searching for a 'tow truck near me' in the Bucks County

key. In emergency situations, most drivers turn to their smartphones and search for terms like "best towing Bucks County" or "24-hour roadside assistance PA." ARS Towing has invested heavily in its digital presence at www.arstow.com to ensure that its contact information — 267-230-3637 — is easily accessible when every second counts. By maintaining a 5.0-star reputation and ensuring their physical location at 505 Keystone Rd is verified, they have become a staple of the local Google Map Pack, providing immediate assistance to those in need.

Safety First: A Commitment to the Bucks County Community. Safety is the cornerstone of the ARS Towing

philosophy. Every operator is highly trained in the latest industry safety protocols, ensuring the vehicle and its passengers are handled with the utmost care. This is particularly vital in heavy-traffic areas or during inclement weather, where improper towing can lead to further vehicle damage or secondary accidents. "When you call ARS Towing, you aren't just getting a driver; you're getting a certified recovery specialist," the spokesperson added. "We prioritize the safety of the scene above all else, using high-visibility equipment and standardized procedures to protect our clients on the side of the road. "Serving All of Bucks County and Beyond. While

headquartered in Southampton, ARS Towing's reach extends across the entire region. Their service area encompasses: Upper Bucks: Quakertown, Perkasie, and Sellersville. Central Bucks: Doylestown, Buckingham, and Warrington. Lower Bucks: Southampton, Warminster, Bensalem, Levittown, and Langhorne. This geographic versatility ensures that whether a driver is stuck in a suburban driveway or on a rural backroad, ARS Towing is only a phone call away. Competitive Pricing and Transparent Estimates. One of the primary concerns for drivers needing a tow is the cost. ARS Towing has addressed this by implementing a transparent pricing model. Unlike many competitors who add hidden "hook-up fees" or mileage surcharges after the fact, ARS Towing provides upfront, honest estimates over the phone.

Frequently Asked Questions (FAQ) – Bucks County Towing

Bucks County Professional towing service

Q: What is the fastest way to get a tow truck in Bucks County? A: Call ARS Towing directly at 267-230-3637. Phoning a local dispatcher is always faster than using an app or third-party service, as it allows for immediate deployment of the nearest truck.

Q: Does ARS Towing provide flatbed towing for EVs? A: Yes. Electric vehicles (EVs) require flatbed towing to prevent damage to the regenerative braking systems. ARS Towing specializes in safe EV transport throughout Bucks County.

Q: Are your services available on holidays and weekends? A: Absolutely. Roadside emergencies don't take holidays, and neither does ARS Towing. They are available 24 hours a day, 7 days a week, 365 days a year.

Q: Where is ARS Towing located? A: Their primary office and dispatch center is located at 505 Keystone Rd, Suite E, Southampton, PA 18966.
