

HandsOn Global Management and HealthAxis Group Partners to Advance AI-Powered Healthcare Solutions

SANTA MONICA, CA, UNITED STATES, January 9, 2026 /EINPresswire.com/ -- HandsOn Global Management, a strategic investor in visionary entrepreneurs and groundbreaking technologies with investments across agentic AI serving Healthcare, banking, insurance industries today announced it has formed a strategic partnership with HealthAxis Group LLC ("HealthAxis"), a provider of core administrative processing system (CAPS) technology serving the healthcare industry.

The partnership will provide HealthAxis with strategic capabilities and global resources to transform its business platforms and services to better serve customers. The integration of agentic AI and advanced workflow orchestration are expected to drive greater efficiency, accuracy, and outcomes across complex healthcare processes.

"HealthAxis brings deep healthcare domain expertise and trusted customer relationships," said Sunil Rajadhyaksha, Partner, HandsOn Global Management. "We look forward to joining Suraya Yahaya, CEO of HealthAxis to leverage our combined strengths to better serve customers. We see a significant opportunity to transform the delivery of healthcare administrative and compliance services, augmenting human expertise with intelligent, AI- driven agents that support better decisions and stronger performance."

About HandsOn Global Management
