Located at 2399 Chapel Road in Swan Valley, Idaho, the expansive mountain property

combines world-class equestrian facilities with refined modern living, just moments from the outdoor recreation and amenities of Jackson Hole, Wyoming. Listed at \$7 million, the estate is offered in cooperation with Sam Haack of Berkshire Hathaway Home Services. Bidding is set to

open 13 January via the firm's online marketplace, [conciergeauctions.com](#), and will culminate on 23 January during Concierge Auctions' second annual live auction event at The Phoenician in Scottsdale, held concurrent to Arizona Car Week—one of the nation's premier gatherings of classic, collector, and exotic automobile enthusiasts.

Sam Haack

Spanning approximately 6,306 square feet across 46.41 acres of pristine Swan Valley terrain, the single-level residence was completed in 2024 by acclaimed B&B Builders. The four-bedroom home is designed to embrace

its dramatic setting, with floor-to-ceiling windows throughout that frame panoramic views of surrounding mountains, rolling pastures, and open skies. Thoughtful contemporary finishes and an open layout create a seamless connection between indoor comfort and the property's

expansive outdoor landscape. Purpose-built equestrian amenities include a world-class 220' x 90' indoor riding arena, a 200' x 200' outdoor arena, a six-stall barn, irrigated pastures, three wells, and Palisades Creek irrigation rights.

"This Swan Valley mountain estate exemplifies the kind of rare, purpose-built property that performs exceptionally well in a live auction environment," said Chad Roffers, CEO and Co-Founder of Sotheby's Concierge Auctions. "Aligning this offering with Arizona Car Week for the second consecutive year allows us to engage a highly qualified, luxury-minded audience in a dynamic, competitive setting, while our live auction platform creates transparency, urgency, and global reach—key drivers of successful outcomes for high-end real estate."

"This property represents a rare opportunity to acquire a newly built mountain estate with world-class equestrian amenities and infrastructure that rivals top facilities, all within close proximity to Jackson Hole," said Haack. "From the scale of the land to the quality of construction and amenities, it's truly a special offering in the region, and we're looking forward to bringing it to the market with Concierge Auctions."

Located in Swan Valley, the estate offers year-round access to the region's most sought-after outdoor pursuits, including world-class fly fishing on the South Fork of the Snake River, hiking, horseback riding, and backcountry exploration. Winter brings proximity to premier skiing and snow sports in Jackson Hole, while the surrounding area offers unmatched privacy, natural beauty, and a strong
