"Clients see 3x sales growth and 96% lower acquisition costs. flareAI's five AI agents act as expert marketers—automating and amplifying your team without added hires or overhead."

flareAI's launch campaign introduces a creative concept: a "job application" from five AI experts applying to join your

marketing team. Each agent specializes in a critical area of marketing—SEO, content, discovery, distribution, and business insights—working seamlessly with existing teams to drive real results.

Already, flareAI's AI agents have generated over \$13 million in client sales and thousands of booked meetings, all without spending a dime on ads or adding to payroll.
