*Vibe Launches Zero CAPEX "Build-to-Suite" Managed Offices in Pune's Prime Solitaire Business Hub*

PUNE, MAHARASHTRA, INDIA, January 20, 2026 /EINPresswire.com/ -- Vibe Coworking and Managed Spaces (Vibe) today announced the launch of its new 30,000 sq. ft., 650-seat managed office facility at Balewadi's Solitaire Business Hub, offering corporates a premium "build-to-suite" workspace with zero upfront capital investment. This model is set to reshape how companies secure workspace in Pune's booming western corridor.

The new setup addresses demand from corporates, International Property Consultants (IPCs), and enterprise clients seeking flexible, financially smart, and brand-aligned office environments. Vibe's Zero CAPEX offering removes traditional fit-out costs and logistics, making it a compelling solution for CFOs, Admin Heads, and HR leaders looking to preserve capital and shorten project timelines.

> "Fast-scaling companies cannot afford to deploy precious growth capital into depreciating assets," said a Vibe spokesperson. "Our Zero CAPEX, build-to-suite model lets clients focus on business while we deliver a premium, customized office without capital spending on their part."
