

No Agent List Secures \$10 Million in Private Investment to Launch AI-Powered Platform Redefining the Real Estate Space

Spring 2026 launch delivers agent-level tools, real opportunities, and full control to buyers, sellers, and vendors

LOS ANGELES, CA, UNITED STATES, January 13, 2026 /EINPresswire.com/ -- [No Agent List](#) is a next-generation real estate technology platform built to put the power of property transactions directly into the hands of buyers, sellers, and vendors, today announced a \$10 million private investment ahead of its Spring 2026 launch.

The investment signals strong market confidence in No Agent List's mission to disrupt a traditionally opaque, commission-driven industry by opening access to the same information, tools, and opportunities long reserved for agents - now available directly to the public.

“

This funding validates what the market has been asking for: transparency, control, and smarter tools. We're giving people access, clarity, and the ability to make confident decisions on their own.”

complex levels.

Key platform deliverables include:

- Direct access to real, qualified property opportunities for both personal and commercial transactions
- AI-powered evaluation tools that help users assess value, opportunity, and alignment - quickly and objectively
- Agent-level insights and education, presented in a clear, intuitive interface
- The ability to build your own trusted team, from financing and valuation to staging, legal, and closing
- A streamlined, user-first experience designed for first-time participants and seasoned professionals alike
- All without unnecessary commissions, forced intermediaries, or information asymmetry.

[Benjamin Behrooz](#), Chief Marketing Officer of No Agent List, emphasized the platform's broader mission and technological foundation: "We're harnessing the best of AI to unlock hidden data and make sure everyone has access to the tools they need. From finding the best deals to building a supportive community, we're creating a future where quality of life improves for all. This isn't just about real estate - it's about access, empowerment, and giving people the confidence to make better decisions."

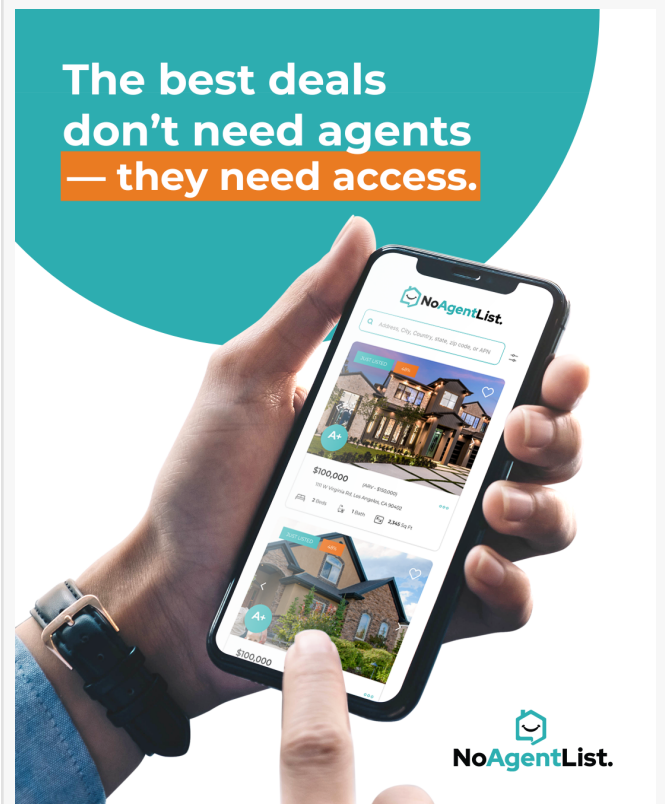

What the Investment Signals

The \$10 million private investment accelerates platform development, AI innovation, and national rollout - positioning No Agent List as a trusted disruptor in the real estate technology space. The funding reflects growing demand for smarter, more transparent alternatives to legacy transaction models and reinforces No Agent List's confidence heading into launch.
