DES PLAINES, IL, UNITED STATES,

January 13, 2026 /EINPresswire.com/ --

Sanjyot Dunung, Democratic candidate for Congress in Illinois' 8th District, has received an endorsement from The American People's Compact (APC).

“

Sanjyot Dunung represents the future of governance that The American People's Compact aspires to—leadership that transcends partisan divides to deliver real results.”

The American People's Compact

The APC is a non-partisan, research-backed policy platform designed to rebuild and renew America. It is based on shared values and offers practical, commonsense solutions aimed at lowering healthcare and housing costs, raising wages, strengthening schools, providing reliable and cleaner energy, enhancing community safety, and ensuring a transparent and accountable government.

This endorsement underscores the strong alignment between The APC and Dunung's commonsense movement, which emphasizes responsible leadership focused on reducing costs for families, expanding economic

opportunities, protecting fundamental freedoms, and restoring trust in government by prioritizing the common good over special interests.

Said The American People's Compact, “Sanjyot Dunung represents the future of governance that The American People's Compact aspires to—leadership that transcends partisan divides to deliver real results. We are endorsing Sanjyot because she recognizes that nearly 80% of Americans, regardless of party affiliation, desire the same things: economic security, safe communities, and a government that serves the people—not special interests. Her commitment to collaboration and evidence-based solutions perfectly aligns with our mission to break the gridlock and build a system that works for everyone, both Democrats and Republicans.”

“I am truly honored to receive the endorsement of The American People's Compact,” said Dunung. “We share a commitment to values, integrity, and a genuine dedication to public service, which drives this campaign. Together, we aim to foster unity across party lines and seek meaningful solutions to improve the lives of everyone in Illinois' 8th District, creating a brighter future for our community, where every voice is heard, and every individual has the opportunity to thrive.”
