The certification reflects DME’s ongoing commitment to building a strong, people-centered culture across its on-site and distributed teams. In a fast-paced, high-compliance industry like healthcare outsourcing, the company continues to prioritize clarity, inclusion, and alignment, ensuring employees feel valued, supported, and connected to the mission.

“

Our teams are the foundation of everything we do. We operate in high-compliance, high-pressure environments and it’s our people who make it sustainable.”

Richard Lee

“Our teams are the foundation of everything we do,” said Rich Lee, CEO and Co-Founder of DME Service Solutions. “We operate in high-compliance, high-pressure environments and it’s our people who make it sustainable. This recognition isn’t just about culture. It’s about building

the kind of organization that clients can depend on, because it takes care of its people first.”

DME’s investment in employee experience continues to drive operational strength, reflected in high retention, scalable delivery, and trusted long-term partnerships. With more than 1,000 employees across the U.S., Mexico, and the Philippines, DME supports healthcare organizations with secure, high-performance business process outsourcing services across revenue cycle,

clinical support, and patient operations.
