"Paradise Valley offers a balance of privacy, natural surroundings, and accessibility that is increasingly rare. The home's retractable glass walls open fully to the surrounding landscape, creating a natural flow between the indoors and outdoors that we've enjoyed throughout the day and into the evening," said current owner Robert Noyes.

Paradise Views features a long, private gated entry, four fireplaces, a home theatre, five bedrooms, six full bathrooms, two half bathrooms, and flexible living spaces designed for both entertaining and everyday comfort. Recent renovations include new flooring, designer lighting, and fixtures, complementing interior highlights such as soaring ceilings and expansive retractable glass walls that open to terraces. The chef's kitchen is equipped with dual Wolf ranges, Miele appliances, custom cabinetry, and a temperature-controlled glass wine room, perfect for entertaining and culinary artistry.

"Homes of this quality rarely become available in Paradise Valley. For buyers seeking a modern estate with meaningful scale and long-term value, opportunities like this are increasingly limited," said listing agent Lesley Vann of Russ Lyon Sotheby's International Realty.

Outdoor living areas span multiple levels and include a negative-edge pool and spa, water features, fire elements, and shaded terraces designed for year-round enjoyment. Elevated vantage points capture uninterrupted views of city lights and desert sunsets, reinforcing a strong connection to the lush landscape. Additional features include smart-home technology, new Trane HVAC systems, tankless water heaters, and an extensive new rooftop solar installation.

Paradise Views is being offered in cooperation with Lesley Vann - Russ Lyon Sotheby's International Realty. Bidding will take place online exclusively at [www.interluxe.com](http://www.interluxe.com) when the auction begins Monday, January 26th at 9:00 am MST. Previews will be held Friday, January 23rd, 11:00 am – 3:00 pm, Saturday, January 24th, 11:00 am – 3:00 pm, and Sunday, January 25th, 1:00 pm – 4:00 pm.
