

Temecula Dental Practice Launches New Bilingual Educational Website and Joins The Mini Dental Implant Centers of America

Healthy Habit Dental Care launches new educational website and joins the Mini Dental Implant Centers of America as Temecula's only center for mini implants.

TEMECULA, CA, UNITED STATES, January 12, 2026 /EINPresswire.com/ -- [Healthy Habit Dental Care](https://www.healthyhabitdentalcare.com) is proud to announce the launch of its newly designed website, now live at <https://www.healthyhabitdentalcare.com>

The new digital platform is built to help patients better understand their dental treatment options, especially the advantages of [mini dental implants](#), through a growing library of educational tools, including over 50 videos, weekly blog posts, and 24/7 live chat support in both English and Spanish.

In conjunction with the website launch, Healthy Habit Dental Care has also joined the [Mini Dental Implant Centers of America](#) (MDICA), a national network of dental providers committed to offering patients a minimally invasive, more affordable alternative to traditional dental implants. As of this announcement, Healthy Habit Dental Care is the only MDICA-affiliated practice serving Temecula and the surrounding areas.

A Centralized Hub for Dental Education

The new website was developed to help patients make informed decisions about their oral health by providing easy access to reliable information, available anytime, on any device. Key features of the website include:

Over 50 Educational Videos

Dr. Myrna Aguilar - Healthy Habit Dental Care in Temecula

Each video is designed to explain complex dental procedures in simple, visual terms. Topics include mini dental implants, denture stabilization, tooth replacement options, and treatment planning.

Weekly Educational Blog Posts

Regular articles provide updates on advancements in dental care, guidance on choosing treatments, and answers to common patient questions.

Bilingual Resources in English and Spanish

All video content and written materials are available in both languages to ensure accessibility for the local Spanish-speaking community.

24/7 Live Chat Services

Our mission at Healthy Habit Dental Care is to deliver well-documented, high-standard dental care shaped by compassion, integrity, and clinical innovation."

Dr. Myrna Aguilar

Website visitors can speak with a live representative any time, day or night, to ask questions, book appointments, or get help navigating treatment options.

Local Access to a National Standard of Care

By joining the Mini Dental Implant Centers of America, Healthy Habit Dental Care strengthens its commitment to providing less invasive and more efficient treatment alternatives for missing teeth and loose dentures. Mini dental implants are thinner than traditional implants and

typically require less bone support, which means:

- Fewer appointments
- Faster recovery times
- No need for invasive bone grafting in most cases
- Improved stability for dentures or crowns
- These advantages make mini dental implants a practical choice for many patients who may not be candidates for full-size implants.

Complimentary Consultation with 3D X-Rays

Meet Our Team - Healthy Habit Dental Care in Temecula, CA

As part of the launch, Healthy Habit Dental Care invites anyone interested in learning more about mini dental implants to schedule a free complimentary consultation, which includes advanced 3D X-rays for precise diagnosis and treatment planning. Patients can speak directly with the dental team to understand whether mini dental implants are right for their needs.

Appointments can be requested through the website's live chat, by phone, or through the online contact form.
