

MyLegalWin Launches 2026 Awards, Marking Third Year of Attorney and Law Firm Recognition

MyLegalWin launches its 2026 awards, marking three years of attorney and law firm recognition with expanded city-based programs nationwide.

AUSTIN, TX, UNITED STATES, January 13, 2026 /EINPresswire.com/ -- [MyLegalWin](https://www.mylegalwin.com) today announced the launch of its 2026 legal awards, marking the company's third consecutive year recognizing attorneys and law firms across the United States. The annual awards program continues MyLegalWin's mission to provide professional recognition and visibility opportunities for legal professionals operating across a wide range of practice areas and markets.

Since its launch, MyLegalWin has grown into a national legal recognition platform highlighting both individual attorneys and law firms through its annual awards and professional directory. The 2026 awards cycle reflects the platform's continued expansion and its increasing role as a centralized destination for attorney and law firm recognition.

NATIONAL ATTORNEY AND LAW FIRM RECOGNITION PLATFORM

The 2026 awards continue MyLegalWin's national attorney and law firm recognition programs, which are designed to highlight legal professionals across multiple practice areas, firm sizes, and geographic regions. Recognized attorneys and firms are featured within MyLegalWin's online directory, where profiles provide professional visibility, background information, and recognition

MyLegalWin is a national legal recognition and awards platform highlighting attorneys and law firms across multiple practice areas and U.S. markets.

details.

MyLegalWin's platform supports both attorney-focused recognition and firm-level recognition, allowing legal professionals to participate in programs aligned with their individual or organizational branding goals. The platform's directory structure enables visitors to explore recognized attorneys and law firms by practice area, location, and award category.

EXPANDED FOCUS ON LAW FIRM RECOGNITION IN MAJOR CITIES

As part of its 2026 awards expansion, MyLegalWin is introducing a new "Best In" city series alongside its existing firm-level recognition programs. The series is designed to provide in-depth, city-specific coverage of law firms operating within major U.S. legal markets, combining recognition with detailed local guides and comprehensive firm profiles.

The "Best In" series will feature expanded city pages that highlight top law firms within each market, supported by thorough firm profiles, practice area coverage, and market-specific context. This approach is intended to provide greater depth and localized visibility while strengthening MyLegalWin's national recognition framework.

Initial "Best In" city markets for 2026 include Austin, Las Vegas, Dallas, Los Angeles, and Atlanta, with additional cities expected to be added throughout the year. These city-focused programs will operate alongside MyLegalWin's national attorney and law firm recognition initiatives, allowing firms to benefit from both local and national visibility.

By combining national attorney recognition with detailed, city-based law firm guides, MyLegalWin aims to create a more comprehensive recognition ecosystem that reflects both individual legal professionals and the firms they represent across U.S. markets.

RECOGNITION, VISIBILITY, AND PROFESSIONAL PROFILES

Recognized attorneys and law firms receive professional visibility through MyLegalWin's online platform, including digital profiles designed to showcase recognition status and professional credentials. These profiles serve as a centralized location for recognition-related information and are intended to support online credibility and discoverability.

Participation in the MyLegalWin awards program provides attorneys and firms with inclusion in a national legal recognition directory, allowing them to highlight their recognition across digital channels, websites, and marketing materials. The platform's emphasis on digital visibility aligns with the evolving ways legal professionals present credentials and recognition online.

[EXPERT HONORS](#) HONOREE BENEFITS PROGRAM

In addition to recognition, MyLegalWin honorees receive access to the Expert Honors honoree

benefits program. The benefits program is designed to extend value beyond the initial award announcement by offering ongoing professional visibility tools and promotional resources.

The Expert Honors program includes digital assets, recognition materials, and visibility-focused benefits intended to support attorneys and law firms in communicating their recognition status. By pairing recognition with benefits, MyLegalWin positions its awards as part of a broader professional visibility platform rather than a one-time announcement.

CONTINUED GROWTH AND 2026 OUTLOOK

Entering its third year, MyLegalWin continues to expand participation across its attorney and law firm recognition programs. The launch of the 2026 awards reflects ongoing growth in geographic coverage, recognition categories, and platform capabilities.

Throughout the 2026 awards cycle, MyLegalWin plans to continue expanding its city-based law firm recognition initiatives while maintaining its national attorney recognition programs. The company expects additional markets, categories, and recognition opportunities to be introduced as part of its ongoing development.

ABOUT MYLEGALWIN

MyLegalWin is a national legal recognition and awards platform highlighting attorneys and law firms across multiple practice areas and U.S. markets. Through its annual awards programs, professional directories, and digital profiles, MyLegalWin provides attorneys and law firms with recognition opportunities and professional visibility. The platform supports both individual attorney recognition and firm-level awards, offering participants tools designed to enhance credibility and exposure within the legal industry.
