Mobility City of Jacksonville offers expert repair services for wheelchairs, scooters, power chairs, hospital beds, patient lifts, and other essential mobility equipment. The location also provides short- and long-term rentals, retail sales, and white-glove delivery and installation services. Customers can visit the welcoming showroom for hands-on guidance or request convenient in-home service.

“We saw an opportunity to bring Jacksonville a dependable, local resource for people who rely on mobility

equipment every single day,” said Nathan Polete, co-owner of Mobility City of Jacksonville. “We’re focused on delivering fast, reliable service and making sure our customers get the support they need when they need it.”

Merlene Polete, co-owner, added, "For so many people, mobility equipment isn't a convenience—it's essential to independence and dignity. We're committed to treating every customer with care, respect, and urgency, and making sure they have the support they deserve."

As part of the national Mobility City franchise network, Mobility City of Jacksonville operates with proven systems, trained technicians, and consistent service standards. Mobility City is the largest mobility service franchise in the United States, known for its focus on expert repairs, customer education, and reliable service. Additionally, Mobility City holds a Federal Supply Schedule (FSS) contract, enabling select locations to work with VA medical centers nationwide when contracted locally.

Mobility City of Jacksonville is located at 6000 Lake Gray Blvd, Ste A01, Jacksonville, FL 32244, and is now serving customers throughout Northeast Florida with both in-store support and in-home service.
