

HotInHollywoodTV.com Launches New Segment: Guess Who Stopped by The Studio

LOS ANGELES, CA, UNITED STATES, January 14, 2026 /EINPresswire.com/ -- [Hot In Hollywood TV](#) is turning up the star power with the debut of its newest segment, Guess Who Stopped by The Studio, an exclusive sit-down series spotlighting candid and honest interviews with some of today's hottest celebrities.

Kicking off the segment is a warm memorable in-studio conversation between host Tyrone Jackson, and acclaimed actor Billy Zane, best known for his role in the Academy Award-winning film *Titanic*. The two dive deep into Zane's decades-long career, his rise to fame, and the projects that cemented his place in Hollywood history.

"It was absolutely amazing interviewing Billy Zane and discussing his 30-year career in the movie business" says Jackson. During the conversation, Zane reflects on working with directors like Robert Zemeckis (*Back to the Future*) and Bill Fishman (*Waltzing with Brando*). The discussion offers rare insight into longevity in Hollywood, creative evolution, service, grace and gratitude.

“

Pearl For the Audience: The fundamental fuel for good fortune, and map to the minefield, and former protection, was gratitude and service."
