QRS will debut

- QRS PNOmation 4, [PNO4](#) NV - Our newest PNOmation 4 controller for acoustic musical instrument control.
- QRS EmbouchAir brass instrument drivers
- Combined with the QRSTV & QRSTConnect Platforms

“You will experience the latest instrument developments and performance enhancements from PNO4. As a major

supplier of technology to the acoustic instrument market, we created PNO4 and PNO4 NV, the EmbouchAir, [Trumpeter](#), and its content platforms for a new way to experience live music,” said Thomas Dolan, President & CEO. “Plus, our use of AI enhances the performance of our content in ways that were not possible before. To complement this, we have also introduced new ‘all you can eat’ content access plans.. We believe that with the variety of accessible pricing and ever-increasing instrument capabilities, we will continue to grow our Access Plan revenue base and encourage existing customers to upgrade and join the next generation of music entertainment.”
