

XOPA AI Receives Official Dubai AI Seal Recognition

XOPA AI UAE officially receives Dubai AI Seal Recognition from DCAI

DUBAI, DUBAI, UNITED ARAB EMIRATES, January 17, 2026 /EINPresswire.com/ -- [XOPA AI](#), a global HR technology provider, has been awarded the Dubai AI Seal at Tier E by the [Dubai Centre for Artificial Intelligence \(DCAI\)](#), joining a select group of enterprises recognized for meeting rigorous AI governance and security standards.

The Dubai AI Seal initiative serves as the Emirate's official recognition program, evaluating AI companies against strict criteria including security protocols, governance frameworks, ethical practices, and AI maturity. This certification is increasingly becoming a requirement for partnerships with Dubai government entities.

Dubai AI Seal Standards and Requirements

- Companies awarded the Dubai AI Seal have demonstrated:
- Advanced AI security protocols and data protection measures
 - Transparent algorithmic decision-making processes
 - Ethical AI development frameworks
 - Compliance with Dubai's AI governance standards
 - Commitment to human-centric AI innovation
 - Industry Implications for HR Technology

In the HR technology sector, the Dubai AI Seal serves as a trust indicator for organizations

evaluating AI-powered recruitment and talent management solutions. The certification provides assurance that providers meet regional compliance requirements and maintain transparent, explainable AI-driven decision-making processes.

As the adoption of AI in recruitment accelerates, organizations need assurance that their HR data is protected and that algorithmic decisions are transparent and ethical. The Dubai AI Seal provides that independent verification.

Supporting Dubai's AI Vision

The achievement aligns with Dubai's National AI Strategy 2031 and the Dubai Universal Blueprint for AI, initiatives designed to position the Emirate as a global AI innovation hub while establishing frameworks for responsible AI development.

About XOPA AI: Founded in 2017, XOPA AI offers the world's first AI Verify-endorsed talent acquisition platform. The Singapore-headquartered HRTech innovator serves government agencies, enterprises, and academic institutions across four global regions, pioneering autonomous recruitment systems that combine algorithmic efficiency with explicit human accountability.
