

The Boston Globe Names Cartesian a Top Place to Work in 2025

Special edition of Globe Magazine honors the best employers in Massachusetts

BOSTON, MA, UNITED STATES, January 14, 2026 /EINPresswire.com/ -- Cartesian has been named one of the 2025 Top Places to Work in Massachusetts in the 18th annual employee-based survey from The Boston Globe. The Top Places to Work issue published online at globe.com/topplaces on the evening of Tuesday, December 2 and in Globe Magazine on Sunday, December 7.

Top Places to Work recognizes the most admired workplaces in the state voted on by the people who know them best — their employees. The

survey measures employee opinions about their company's direction, execution, connection, management, work, pay, benefits, and engagement. The employers are placed into one of four groups: small, with 50 to 99 employees; medium, with 100 to 249 workers; large, with 250 to 999 staff members; and largest, with a workforce of 1,000 or more employees.

[Cartesian was ranked 19 in the Small Business category.](#)

"This is Cartesian's first time making the list, and while the recognition is exciting, what it represents is even more important. It reflects the culture we've built together – one focused on meaningful opportunities to drive impact, continuous improvement, a collaborative learning environment grounded in mutual respect, and, of course, having fun along the way." - Sam Kornstein, Managing Director of Cartesian

"When employees feel valued, they're motivated to do their best, and that's the ultimate win-win for everyone at the 175 organizations that made this year's Top Places to Work list," said Katie
