

# Schilling Cider Unveils Excelsior Variety SPACE PACK, Showcasing the Range of Imperial Cider Flavor

SEATTLE, WA, UNITED STATES, January 27, 2026 /EINPresswire.com/ -- [Schilling Cider](#) announced the launch of the Excelsior SPACE PACK Variety 12pk, a year-round offering that brings together four standout ciders from its Excelsior Imperial Ciders line. Featuring Imperial Hyper-Dry, Imperial Blackberry, Imperial Mango, and Imperial Apple, the SPACE PACK showcases the breadth, balance, and craftsmanship that define Excelsior Imperial Ciders. Each cider is crafted at the same bold 8.4% ABV, yet expressive in its own distinct way.

Built to highlight the full spectrum of imperial cider flavor, Excelsior Variety SPACE PACK demonstrates how precision, structure, and creativity can coexist across styles. From the crisp, clean finish of Imperial Hyper-Dry to the fruit-forward depth of Imperial Blackberry and Imperial Mango, and the classic richness of Imperial Apple, each cider launches from the same orbit while delivering a unique flavor experience. Together, the pack offers an approachable way for drinkers to explore how balance can be achieved across every flavor profile.

Excelsior Imperial Ciders are renowned for their quality and unmistakably bold flavor. Each cider is crafted using 100% fresh-pressed apples sourced from the Pacific Northwest and European heirloom bittersharp apples, a unique blend that enhances flavor depth, structure, and natural tannins. This approach results in deep color and layered complexity across the lineup. Fermented using hand-selected yeast strains through a “low and slow” process at cooler temperatures, Excelsior Imperial Ciders preserve fruit-forward aroma while delivering a refined cider experience.

The Excelsior line embodies a strong commitment to sustainability, reinforcing Schilling's leadership within the craft cider category. Excelsior Imperial Apple and Excelsior Imperial Mango

are Climate Neutral, with Schilling becoming the first cidery to introduce Climate Neutral 6-packs and 12-packs.

Excelsior Variety SPACE PACK is now sold in AZ, CO, WA, OR, ID, MT, AK, and CA. Find Excelsior Variety SPACE PACK at a retailer near you by visiting Schilling Cider's store locator at [schillingcider.com/find](https://schillingcider.com/find). An image for stories is available [HERE](#).
