Success on the Move Host Kare Spare

“

Now, I'm interviewing highly motivated and clear minded guests on this show, and it's been a real thrill!”

Kate Spare

Born and raised in Sacramento, California, Kate Spare brings authenticity, warmth, and curiosity to every interview. Her natural ability to connect with guests is rooted in a lifelong love of entertainment and storytelling, allowing conversations to unfold in a way that feels both inspiring and relatable. Spare’s approach creates a welcoming space where guests can openly share their

challenges, breakthroughs, and defining moments.

When asked when she first realized she wanted to pursue a career in entertainment, Spare reflected on her earliest memories:

“Right away. I would watch movies and say I'm going to be on TV one day! So yes, it was very early on that I knew, and it never changed. Now, I'm interviewing highly motivated and clear minded guests on this show, and it's been a real thrill!”

While many people aspire to launch a business or live a creatively fulfilling life, fear, uncertainty, or lack of support can often hold them back. Success on the Move was created to bridge that gap. Produced by Global Soul Networks, the show serves as a source of motivation and encouragement by spotlighting individuals who are not merely chasing success, but actively creating it through resilience, commitment, and hard work.
