BOSTON, MA, UNITED STATES, January 17, 2026 /EINPresswire.com/ -- Houzeo, America's best home buying and selling website, has announced the launch of its Cost of Living Calculator, expanding its portfolio of tools built to help homebuyers make informed decisions in a competitive housing market.

The newly launched calculator allows users to compare everyday expenses across cities and regions throughout Massachusetts. Additionally, buyers can find contemporary penthouses in the Seaport District and elegant estates in affluent suburbs like Brookline and Newton. When factoring in cost-of-living insights, buyers are better equipped to assess if their lifestyle aligns with long-term financial goals.

For those entering the market for the first time, Houzeo provides a comprehensive [Massachusetts first time home buyer](#) guide that outlines the entire purchasing process—from financing and down payments to closing costs and state-specific considerations.
