

# Elite Tree Service Expands Across Arkansas in 2026, Recognized as One of the Best Tree Service Companies

*Elite Tree Service expands across Arkansas in 2026, offering professional tree removal, emergency tree service, and land clearing to more communities.*

BENTEN , HOT SPRINGS, AR, UNITED STATES, January 17, 2026 /EINPresswire.com/ -- [Elite Tree Service](#), a growing professional tree services company based in Arkansas, has announced the expansion of its operations across Central and Southwest Arkansas. The move allows more homeowners, businesses, and property managers to access reliable tree removal, land clearing, and emergency tree services from a trusted local provider.

After successfully serving communities such as Gurdon and Arkadelphia, Elite Tree Service is now extending coverage into Hot Springs, Benton, Little Rock, and surrounding areas. The expansion responds to increasing demand for safe, professional tree service work in regions experiencing storm activity, aging tree canopies, and ongoing residential and commercial development.

Founded in 2020, Elite Tree Service has steadily built a reputation as one of the most dependable tree services companies in Arkansas by focusing on jobsite safety, honest recommendations, and clean, controlled work practices.

## Growing Demand Elevates the Need for Professional Tree Services in Arkansas

Arkansas property owners face a unique combination of environmental challenges. Seasonal storms, mature tree growth, and expanding neighborhoods have increased the need for [experienced tree service companies](#) that can safely operate near homes, powerlines, and commercial structures.

In many communities, trees planted decades ago now require professional trimming or removal using advanced equipment and proper rigging. At the same time, new construction and land development often disturb root systems, increasing the risk of tree failure.

Elite Tree Service's expansion reflects these conditions and positions the company as a reliable solution for residents seeking one of the best tree service companies in their area.

#### Established Local Trust Through Proven Tree Service Work

Elite Tree Service built its foundation by serving Gurdon and Arkadelphia with consistent, professional results. Early projects included hazardous tree removal, storm cleanup, stump grinding, pruning, and lot clearing.

Over time, repeat customers and word-of-mouth referrals helped establish Elite as a trusted tree services company. Property owners consistently cite clear communication, reliable scheduling, and clean job sites as key reasons for choosing Elite.

According to company representatives, an increase in service requests from neighboring cities signaled the need to expand operations and better support surrounding communities across Central Arkansas.

Elite Tree Removal Services

As part of the 2026 expansion, Elite Tree Service now provides full-service tree care and land management in Hot Springs, Benton, Little Rock, and nearby areas.

These markets were selected due to their high concentration of residential properties, ongoing development, and frequent storm-related tree hazards. Property owners can now access dependable local tree service without delays caused by out-of-area contractors.

Residents and businesses seeking tree service in Benton or Hot Springs can expect the same professional standards that established the company's reputation in earlier service areas.

### Safety-First Tree Removal and Job Planning

Safety is central to every Elite Tree Service project. Each job begins with an on-site assessment to identify hazards, access points, and the safest removal or pruning method. Elite uses controlled cutting, proper rigging, and clear work zones to protect homes, vehicles, and nearby property. Crews follow OSHA guidance and applicable ANSI safety and pruning standards, supporting a structured approach focused on risk reduction and property protection.
