

HIKARI 2026 Global Smart Product Launch Tour Commences in Dhaka

SHANGHAI, CHINA, January 19, 2026 /EINPresswire.com/ -- [HIKARI](#) held the Bangladesh leg of its 2026 Global Smart Product Launch Tour at the Sheraton Hotel in Dhaka, attended by approximately 600 textile and garment industry professionals.

The event featured the introduction of two automated sewing solutions: the H9V, an AI-integrated single-needle lockstitch machine, and the HT92V, an intelligent double-needle lockstitch machine. According to technical specifications provided, these models are designed to support the digital integration and technical upgrading of the local manufacturing sector.

Mr. Wu Liangjie, Chairman of HIKARI, delivered a keynote address regarding the role of automation in industrial development. Representatives from the Bangladesh Garment Manufacturers and Exporters Association (BGMEA), including Dr. Nafis Uddoula, Dr. Md. Hasib Uddin, and Mr. Faruque Hassan, provided assessments of the brand's market presence. Dr. Uddoula noted during his speech, "HIKARI is positioned to become a significant brand within the Bangladesh market due to its technical alignment with industry needs."
