(originally as Veterans for Trump). It supports conservative veterans and veterans' issues through political engagement, community outreach, and advocacy. Vet Force is VFAF's recently launched national volunteer program, officially inaugurated in January 2025.

Modeled on the campaign-style "Trump Force 47," Vet Force mobilizes veterans, law enforcement, and patriotic civilians into "boots-on-the-ground" volunteer teams. These teams engage in emergency relief, public safety advocacy, youth mentoring, voter education, disaster response, and support for MAGA-aligned campaigns. In Georgia, Vet Force is led by Devonta "Sully" Sullivan, a former police officer now serving as National Ambassador. Sullivan's team has restored a shelter at Park Avenue Baptist Church in Atlanta and recently organized a holiday blood drive in partnership with the American Red Cross—efforts aimed at addressing homelessness, healthcare shortages, and community revitalization.

VFAF to Resume Partnership with the IDF in 2026 to Combat PTSD - Prior to the outbreak of war, VFAF was invited to Israel to meet with the IDF and testify before the Knesset regarding collaboration on PTSD treatment. That partnership was paused when the war began. Jonathan Feldstein, who resides in Israel, has established working relationships with the IDF and has organized events alongside IDF pilots involved in strategic missions. VFAF will be partnering with

Feldstein to resume the mission.
