

Little India Central Park Introduces Lunch Buffet for the First Time Ever

A Long-Awaited Addition Brings the Legendary Buffet Experience to Denver's Central Park Neighborhood

DENVER, CO, UNITED STATES, January 20, 2026 /EINPresswire.com/ -- Coming Soon, 2026 - For the first time since opening its doors, Little India Restaurant & Bar – Central Park is proud to announce the debut of its legendary Lunch Buffet, launching soon and served daily from 11:00 a.m. to 3:00 p.m.

This marks a major milestone for the Central Park location and a long-requested addition from the neighborhood. While Little India's lunch buffet has been a Denver staple for decades, Central Park guests have never had the opportunity to experience it - until now.

"This is something our Central Park guests have been asking for since day one," said Simeran Baidwan, Owner of Little India Restaurants. "Bringing the buffet to this location feels like completing the circle. It's not just an expansion - it's a first, and we're incredibly excited to finally make it happen."

The hardest part is deciding where to start.

The Little India lunch buffet has earned a loyal following across Denver for its generous spread, consistency, and authentic flavors. Guests can expect a rotating selection of house favorites including classic curries, vegetarian and vegan dishes, freshly baked naan, basmati rice, and

signature recipes prepared daily using traditional spices and techniques.

With the introduction of the buffet at Central Park, Little India will now officially offer its lunch buffet at all four Denver locations, making it easier than ever for guests across the city to enjoy one of Denver's most beloved Indian lunch traditions.

Participating Locations (Buffet Available Daily 11 a.m. – 3 p.m.):

Little India – Central Park (now offering buffet for the first time ever)

Little India – Highlands

Little India – Wash Park / Downing

Little India – 6th Avenue

For Central Park, the addition represents more than a menu update - it's a celebration of community, accessibility, and the neighborhood's growing love for Indian cuisine.

Whether you're discovering Little India for the first time or have been waiting patiently for the buffet to arrive in Central Park, the wait is officially over.
