

# MedAesthetics Cosmetic Clinic Now Open at Westfield Whitford City

*MedAesthetics has officially opened its newest clinic at Whitford City, expanding access to cosmetic and skin treatment services in Perth's northern suburbs.*

PERTH, WESTERN AUSTRALIA, AUSTRALIA, January 20, 2026 /EINPresswire.com/ -- The Whitford City clinic represents the sixth [MedAesthetics](#) location across the Perth metropolitan area and marks a continued expansion of the group's presence following more than 15 years of clinical practice. The new clinic is now welcoming clients and offering a range of cosmetic and skin treatments delivered under medical oversight.

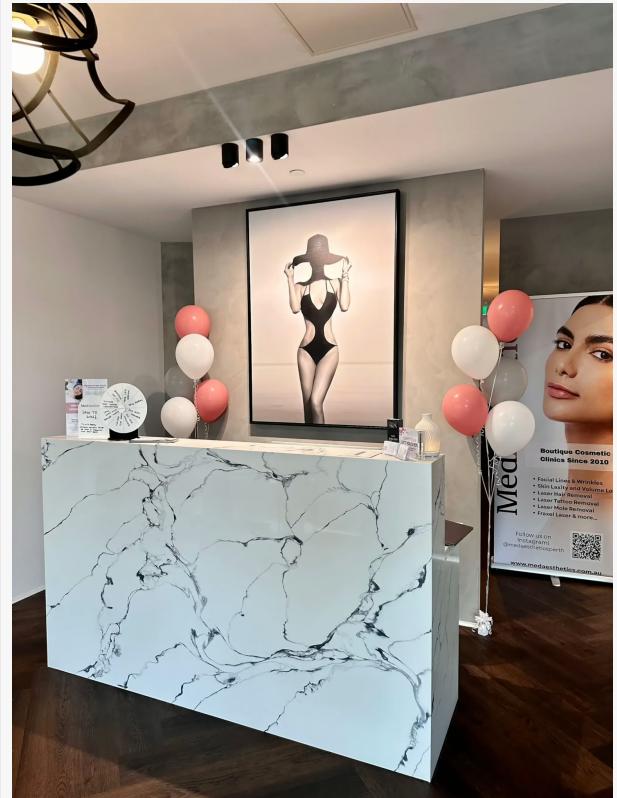

The clinic operates under the leadership of Dr Ehsan Jadoon, a cosmetic physician with extensive experience in aesthetic medicine. MedAesthetics Cosmetic Clinics provide medically informed cosmetic and skin treatments, with an emphasis on individual assessment, evidence-based practice, and patient safety.

"We are pleased to have opened our Whitford City clinic and to now be providing services to clients in the northern suburbs," said Dr Jadoon. "Our focus remains on delivering personalised care that is appropriate for each individual, supported by clinical expertise and modern treatment technologies."

## Cosmetic and Skin Treatments Available in Perth

Across its Perth clinics, MedAesthetics offers a range of cosmetic and skin services, which may include:

- Cosmetic aesthetics treatments
- Medical-grade laser procedures

- Body contouring technologies
- Skin rejuvenation and resurfacing treatments
- Treatments targeting lines and wrinkles
- Skin tightening and texture support
- Acne, pigmentation, and vascular laser therapies

All treatments are provided following individual consultation and clinical assessment, with plans tailored to patient needs and suitability.

"Our approach is grounded in careful assessment and clinical judgement," Dr Jadoon said. "This ensures treatments are selected based on individual goals, skin health, and medical considerations."

#### Clinical-Grade Skincare Available In-Clinic

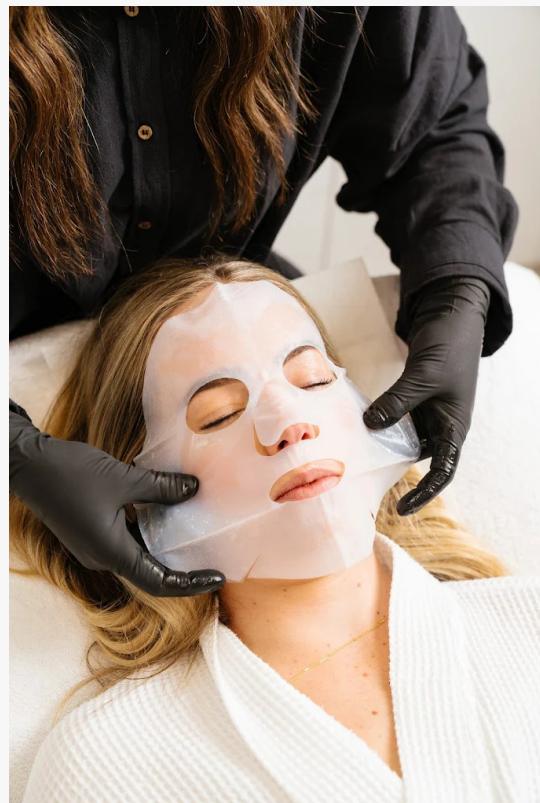

In addition to in-clinic treatments, MedAesthetics clinics offer access to selected clinical skincare ranges, including:

- O Cosmedics
- Medik8
- UltraceuticalsMD

These products are chosen to complement in-clinic treatments and support ongoing skin care routines where appropriate.
