“Our goal is simple: create makeup that performs beautifully while helping people feel comfortable with what they are putting on their skin,” said Andrea Harper, co-founder of Red Apple Lipstick, Inc. “That’s why we focus on clear standards, wearable formulas, and products that support sensitive customers, from lip color to eye makeup and face essentials.”

## Lip products and prep

Red Apple Lipstick’s lip lineup includes gluten-free lipsticks available through its dedicated [Gluten Free Lipstick collection](#), plus, nourishing prep steps like Rallye Balm and the Lip Exfoliate Stick. For definition and wear, customers can pair lip color with the brand’s creamy liners in the Creamy Lip Pencil collection.

## Eye makeup, from everyday to elevated

Beyond lips, Red Apple Lipstick offers eye-focused essentials including Designed Palettes and individual [eyeshadows](#), plus an Eye Primer to help improve the look and staying power of shadow. The brand also features eye and brow pencils for detailed definition, mascara for

finishing the lash line, and eye brushes for blending and precision.

### Cheek color and tools

For face color, the brand offers blush and bronzer options, including the talc-free blush collection and Sundrop Bronzer. Red Apple Lipstick also carries tools for a complete routine, including Vegan Makeup Brushes and eye-focused sets like the All Set Up Eye Brush Set.
