#### ABOUT THE TRAITORS

Emmy® Award-winning The Traitors is a thrilling psychological adventure in which treachery and deceit are at the heart of the game. The series follows some of the entertainment industry's most competitive reality stars and famous faces as they embark on a gripping murder mystery game. Hosted by Alan Cumming at an ancient castle in the Scottish Highlands, contestants work together on a series of intense missions to build a prize fund worth up to \$250,000. Among the contestants are the Traitors—players whose goal is to eliminate the Faithful and claim the prize for themselves. As the Traitors secretly "murder" the Faithful one by one, the Faithful work to uncover their identities and banish them from the game. If all the Traitors are exposed and eliminated, the Faithful share the prize fund. But if a Traitor or Traitors make it to the end, they will walk away with the entire prize.

The Traitors, airing Thursdays at 9 p.m. ET/6 p.m. PT, is produced by Studio Lambert, part of All3 Media, and executive produced by Stephen Lambert, Mike Cotton, Sam Rees-Jones, Rosie Franks, Tim Harcourt, Jack Burgess, Darrell Olsen, and Alan Cumming. For more information and the Season 4 trailer, visit the Peacock – The Traitors website.
