“

For me, this song takes the chord of being in love with someone, and you just don't want to be without them. I can't imagine going about my day without the friendship of God and the voice of the Lord.”

Jenn Johnson

the voice of God in my daily life.”

This is the air I breathe
Your holy presence living in me
This is my daily bread

And I, I'm desperate for You
And I, I'm lost without You

“I love this song,” shares Jenn Johnson. “For me, this song takes the chord of being in love with someone, and you just don't want to be without them. I can't imagine going about my day without the friendship of God and the voice of the Lord. This is my daily bread: the Word of God and

“Cody [husband and recording artist Cody Carnes] and I have been just hungering for more of the presence of God in our home,” adds Jobe as she reflects on the inspiration of this song in her own life. “And we've made some pretty beautiful changes. Like we had a TV in our living room and we decided to pull it down and put an upright piano in its place because we wanted to communicate to our boys that the presence of God was going to be more important than any

entertainment or thing that would try to catch their attention. ... We want the center of our house to be the Lord Jesus."
