

Good Dad Act Committee Celebrates Historic Achievements and Champions Nationwide Family Law Reform

Good Dad Act Committee lead by Dr Bernard Wh Jennings provides 50/50 success to fathers!

MIAMI, FL, UNITED STATES, January 23, 2026
/EINPresswire.com/ -- The Good Dad Act Committee proudly announces its continued momentum in advancing equal parental rights for fathers and strengthening family relationships across the United States. Since Florida's landmark Good Dad Act was signed into law in 2023, this grassroots movement has grown into a national advocacy force dedicated to replicating that success in every willing state.

The Florida Good Dad Act, enacted as House Bill 775, transformed family law by granting unmarried fathers equal parental rights and decision-making authority once paternity is established — ensuring children benefit from the active involvement of both parents.

Building on this foundation, the Committee has helped fuel major legislative victories and significant progress nationwide:

- Alabama's Good Dad Act was signed into law in November 2025, with implementation set for 2026.
- North Carolina's House Bill 780, establishing modern shared parenting standards, took effect July 1, 2025.
- Dozens of additional states — including Kentucky, Georgia, Minnesota, Michigan, Indiana, and others — are actively considering versions of the Good Dad Act or related family law reforms inspired by the Committee's model language and advocacy.

Through concerted outreach, legislative education, and community engagement, the Committee continues pushing forward to ensure every father who wants to participate in his child's life has a

fair and equitable path to do so.

Weekly Online Support: 133 Weeks Strong

For over 133 consecutive Tuesdays, the Good Dad Act Committee has hosted a free, live Google Meet webinar every Tuesday evening at 8:00 PM Eastern, bringing together fathers, legal professionals, judges, and family law experts to answer questions, demystify family court processes, and empower participants with tools and knowledge to navigate complex legal systems. "Our ultimate goal is to strengthen families by ensuring children have meaningful relationships with both parents from the very beginning", said Dr Bernard Wh Jennings, Initiator of the Good Dad Act Legislation and Chairman of the Good Dad Act Committee.

The graphic is a promotional poster for 'The Good Dad Act Committee'. At the top left is a green logo with a white silhouette of a person and the text 'GOOD DAD ACT' and 'FATHERHOOD ORGANIZATION'. The main title 'The Good Dad Act Committee' is in a bold, dark green font, followed by 'Meet our Guest' in a larger, bold, dark green font. Below this is a portrait of Christina Andrea McKinnon, a Black woman with long dark hair, wearing a dark blazer over a white top. The bottom half of the graphic has a dark green background with white text. It reads: 'CHRISTINA ANDREA MCKINNON', 'MCKINNON LEGAL', 'Tuesday, January 6, 2026', '8pm', '786-529-0014', and 'www.GoodDadAct.com'. At the very bottom, in a smaller white font, it says 'Christina McKinnon, Attorney at Law'.

These sessions have helped take the fear and frustration out of family court for thousands of participants, and combined Facebook views of this year's sessions have surpassed 1,000,000 — a testament to the Committee's impact and reach.
