

Arch Dental Assistant School Brings Affordable Dental Career Training to Little Rock

Arch Dental Assistant School will open a new Little Rock campus at the end of this winter, offering hands-on dental assistant training.

LITTLE ROCK, AR, UNITED STATES, January 26, 2026 /EINPresswire.com/ -- [Arch Dental Assistant School](#) is proud to announce the upcoming opening of its Little Rock campus at the end of this winter, expanding access to affordable, hands-on dental assistant education in Central Arkansas. The new campus is designed to help students quickly prepare for careers in dentistry through practical training delivered in a real dental environment.

Nancy West, Program Manager, added,

"This program is designed to support students every step of the way—from their first day of training to their transition into the dental workforce. We're excited to bring this opportunity to Little Rock and help students build rewarding careers in dentistry."

The campus will be located at 209 S State St, Little Rock, AR, and will offer a 10-week dental assistant program that blends online coursework with in-person lab training and clinical experience. Students will develop essential skills needed to pursue dental assistant certification and enter the workforce with confidence.

Arch Dental Assistant School has partnered with [Knight Dental Care](#), a trusted local dental practice, to provide students with hands-on training inside an active dental office. Through this partnership, students gain real-world exposure to dental procedures, patient care, and professional workflows.

"Our dental assistant programs are built to create direct pathways from education to
