

Avionica Announces Captain Barrington Irving as Keynote Speaker for goLIVE 2026

World-Renowned Aviator and Educator to Inspire the Global Aviation Community in Miami

MIAMI, FL, UNITED STATES, January 22, 2026 /EINPresswire.com/ -- [Avionica](#) is proud to announce that [Captain Barrington](#) Irving, record-setting aviator, visionary educator, and global leadership voice, will serve as the keynote speaker at goLIVE 2026, taking place February 16–18, 2026, in Miami, Florida at the Marriott Dadeland.

Captain Irving's extraordinary journey—from becoming the youngest person to fly solo around the world to founding the nonprofit Experience Aviation (EA)—embodies courage, discipline, and the boundless possibilities of human potential. His keynote will set the tone for goLIVE 2026, inspiring attendees to lead with purpose, embrace innovation, and build a future-ready aviation ecosystem grounded in safety, connectivity, and inclusion.

“

Aviation has always been about more than flight—it's about connecting people, ideas, and opportunities. When we invest in innovation and in each other, we unlock what's possible for the industry ”
Captain Barrington Irving

“Captain Irving represents everything goLIVE stands for: bold leadership, technical excellence, and a deep commitment to lifting others as we advance,” said Claudia Espinosa, Vice President of Commercial for Avionica. “His

story challenges us to think bigger, act with intention, and believe that progress is achieved when vision meets action.”

As a pioneer who has inspired millions worldwide, Captain Irving brings a powerful message to an audience of aviation executives, technologists, pilots, engineers, regulators, and operators. His address will explore leadership under pressure, the mindset required to navigate complexity, and the responsibility industry leaders share in shaping the next generation of aviation

professionals.

In 2023, Captain Irving launched the Barrington Irving Technical Training School ([BITTS](#)) geared toward serving high school and adult students in providing technical career training and guidance. BITTS was established to provide skilled training, micro credentialing and job placement within aviation industries. This program helps bridge the gap between individuals seeking employment and fulfilling the great need for technicians in technical skills related job placement.

Captain Barrington Irving

"I'm honored to join the goLIVE community," said Captain Barrington Irving. "Aviation has always been about more than flight—it's about connecting people, ideas, and opportunities. When we invest in innovation and in each other, we unlock what's possible for the industry and for the world."

Hosted by Avionica in collaboration with SARA by ERGOSS, goLIVE 2026 is a premier global forum for connected aviation—bringing together thought leaders to discuss data-driven operations, cybersecurity, safety, and the technologies redefining how aviation works.

Registration is now open. Attendees can expect three days of visionary keynotes, expert panels, and immersive networking—kicking off with the Welcome "Seamless Soirée®" reception on February 16.
