*Crime Thriller Feature Sets Digital Debut on North American VOD Platforms on January 23, 2026*

LOS ANGELES, CA, UNITED STATES, January 23, 2026 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the crime drama feature JACK AND AVA, which is now available to rent/own on North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting January 23, 2026.

“

JACK AND AVA is really about two lovers finally being forced to recon with what matters most. Do the ends justify the means? Or will the means destroy the ending?”

*Filmmaker Michael Pollard*

JACK AND AVA tells the story of two lovers, an orphan and a victim, who find themselves in the most dangerous 72 hours of their lives when a heist goes wrong. Jack and Ava are caught stealing illegal firearms from the town's notorious dirtbag criminals, Rick and Robby. The couple escapes with several guns. Rick, who left Robby's house a

few minutes earlier to grab a six-pack of beer, catches a glimpse of Jack and Ava as they speed away with guns in the bed of their truck. As the two escape into a neighboring town, flashing blue lights fill their rearview mirrors. Fortunately, the police officer, Luke, doesn't notice the stack of guns hidden under a tarp. Soon after, it's discovered that the cop, Robby and Rick are not only friends but have previously worked together. With the three of them on their tail, Jack and Ava are then caught up in a twisted game of cat and mouse that ultimately forces them to learn how to do the right thing, the wrong way.

Written by Isaac Lee and Michael Pollard, JACK AND AVA was directed by Pollard and produced by Tazi Starfire and Justin Lorence. Featured actors include: Isaac Lee ('Jack'), Elisha Herbert ('Ava'), Deion Smith ('Will'), Jordan Lacovella ('Robby') Joshua Albert Brooke ('Rick') and Carter Sirianni ('Luke').

“JACK AND AVA is really about two lovers finally being forced to recon with what matters most.: said filmmaker Michael Pollard. “Do the ends justify the means? Or will the means destroy the ending?”

Freestyle Digital Media negotiated a deal to acquire JACK AND AVA directly with the filmmakers

and Glen Reynolds of Circus Road Films.
