**SUPER BRUSH LLC/SWAB-ITS®**  
The Leader in Foam Swab Technology

Visit with the Super Brush team at MDM West 2026

MD&M West brings together innovators across medical devices, plastics, and advanced manufacturing to explore cutting-edge technologies, materials, and production solutions. Super Brush is excited to present its extensive portfolio of foam swabs, trusted by professionals worldwide in industries including medical, diagnostics, aerospace, electronics, plastics, and industrial manufacturing.

MD&M West is an outstanding platform to connect with engineers, manufacturers, and industry leaders"

*Diane Henry, Director of Sales*

What to Expect at the Super Brush Booth:

- Innovative Foam Swabs – Explore a wide range of foam swabs engineered for precision cleaning, application, surface preparation, and material handling in critical

environments.

- Custom Solutions – Learn how Super Brush develops custom foam applicators tailored to specific customer requirements, delivering efficient and reliable solutions for unique manufacturing challenges.
- Sustainable Manufacturing – Discover Super Brush’s commitment to responsible manufacturing, including reusable product options and environmentally conscious production practices.

“MD&M West is an outstanding platform to connect with engineers, manufacturers, and industry leaders while showcasing the versatility and performance of our foam swab solutions,” said Diane Henry, Director of Sales at Super Brush LLC. “We look forward to engaging with attendees and demonstrating how our products support precision, efficiency, and quality across a wide range of applications.”
