The City Shines Brighter Than Ever! Join us at the official launch of Hilliard Center, featuring marquee lighting, drone light show, and community celebration.

CORPUS CHRISTI, TX, UNITED STATES, January 26, 2026 /EINPresswire.com/ -- Corpus Christi will shine brighter than ever on Monday, February 9, as community members, civic leaders, and local partners gather to celebrate the official launch of [Hilliard Center](#) with a marquee lighting ceremony, community block party, and the city's first-ever illuminating drone show.

Held at the Hilliard Center, the free community event marks a historic milestone for the Coastal Bend as the venue's marquee is officially illuminated - symbolizing a new chapter for the downtown waterfront and one of the region's premier gathering places.

“

Hilliard Center represents more than a building - it's a place where community, connection, and shared moments come to life. We are deeply grateful for the trust, support, and spirit of the community.”

Catherine and Bob Hilliard

The evening program will take place from 6:30 to 7:30 p.m. and will include an invocation, remarks from venue leadership and city officials, followed by a celebratory drone show, featuring hundreds of choreographed drones filling the sky.

A festive block party atmosphere will invite residents and visitors alike to come together in celebration, pride, and community spirit.

“Corpus Christi has always been home to us. This city shaped who we are, the values we hold,

and the work we are proud to do every day,” said Catherine and Bob Hilliard. “Hilliard Center represents more than a building - it’s a place where community, connection, and shared moments come to life. To light the marquee and celebrate this milestone alongside the people of the Coastal Bend is incredibly meaningful to our family and our law firm, and we are deeply grateful for the trust, support, and spirit of this community.”

The event is open to the public and welcomes all ages. Attendees are encouraged to arrive early to enjoy the full experience and take part in what is expected to be a once-in-a-generation moment for Corpus Christi.
