

# Pulse Medical Assistant School to Open Houston-Area Campus This Spring, Expanding Hands-On Healthcare Training

*Pulse Medical Assistant School will open a new Houston-area campus this spring, offering affordable, hands-on medical assistant training.*

HOUSTON, TX, UNITED STATES, January 28, 2026 /EINPresswire.com/ -- Pulse Medical Assistant School is proud to announce the upcoming spring opening of its new Houston-area campus in The Woodlands, expanding access to career-focused medical assistant education for students across the Greater Houston region. The program is designed to provide an accelerated, hands-on pathway into healthcare through practical, real-world training.

Kendra Bradshaw, Program Manager, added, "This program is designed to support students with hands-on experience from the very beginning. We're excited to bring this opportunity to The Woodlands and help students take the next step toward rewarding healthcare careers."

The new campus will be located at 4810 W Panther Creek Dr, Suite 105, The Woodlands, TX, and will offer a 16-week medical assistant program that blends online coursework with in-person lab training and clinical experience inside an active medical practice. Graduates will be prepared to pursue certification and begin entry-level roles in clinics, physician offices, and outpatient healthcare settings.

Pulse Medical Assistant School has partnered with [Prestige Spinal Care](#), a respected healthcare provider, to give students hands-on training in a real clinical environment. Through this partnership, students will gain experience in patient care, clinical procedures, and day-to-day healthcare operations under the guidance of experienced professionals.
