

# SUNCOAST CREDIT UNION FOUNDATION PROVIDES \$10,000 TO 4KIDS OF SOUTH FLORIDA

FORT MYERS, FL, UNITED STATES, January 28, 2026 /EINPresswire.com/ -- A charitable gift of \$10,000 from the Suncoast Credit Union Foundation has been awarded to [4KIDS](#) of South Florida . The gift will support the organization's EPIC Therapeutic Program serving children and families

across Southwest Florida. The funding will expand access to trauma-informed therapy for children in foster care and their caregivers in Lee, Collier, Charlotte, Hendry, and Glades counties, ensuring services continue even when insurance or Medicaid coverage is exhausted. In 2025, EPIC provided more than 11,500 hours of therapy to over 680 children and adults statewide.

“

All children deserve the opportunity to find their way and improve their position within their community and this gift aids in that effort so we are proud to support this worthy work.”

“Children in foster care face complex trauma that impacts every part of their development,” said Rick Jacobs, Executive Director of 4KIDS Southwest Florida. “Through the Suncoast Credit Union Foundation’s generosity, we can ensure that kids and caregivers don’t face barriers to therapy when they need it most. Every session moves a child one step closer to healing—and that’s the heart of our mission.”

Suncoast Credit Union, Florida’s largest credit union, founded the Suncoast Credit Union Foundation to promote the education, health and emotional well-being of children

in the community. Each time a Suncoast member uses their debit or credit card, the credit union donates four cents to the Foundation to fund local initiatives. Since its inception in 1990, the Foundation has raised and donated over \$55 million.

“When we can lend support to help children and youth regain their footing in order to succeed we are allowing progress to bloom,” says Jeff Kunberger, Executive Director of Suncoast

Foundations. "All children deserve the opportunity to find their way and improve their position within their community and this gift aids in that effort so we are proud to support this worthy work," he added.
