Owners of Volstead, Tycoon and The Tavern at Lakeside taking over popular Southlake Spot.

SOUTHLAKE, TX, UNITED STATES, January 27, 2026 /EINPresswire.com/ -- Restaurant Ventures Unlimited, parent company which owns and operates popular Southlake and Flower Mound restaurants have added a fourth brand to their portfolio. Located off Southlake Blvd. and Carrol, Jane opened in 2020 and quickly became a popular spot for locals.

"We're excited to have Jane as part of our expanding brand portfolio. Jane has become an iconic neighborhood establishment in the heart of Southlake with a loyal following, and we look forward to helping the brand grow", said Dave Coussirat, RVU President.

Our goal is to consistently provide a fantastic guest experience. We'll be making changes to improve Jane while keeping the charm which has made Jane beloved to so many in the community. Our plans for an expanded menu, dining room enhancements including large party seating & acoustic improvements will make Jane an even better place to meet for lunch, happy hour, dinner, or large events.

Guests can experience the new menu starting this week, along with design and ambiance updates inside the restaurant and on the patio. New furniture and improved seating are also part of the restaurant enhancements.

The new menu features fan favorites and new flavors created by Chef John Franke, who has developed iconic menus for many DFW restaurants, like Whiskey Cake, Velvet Taco and many more.
