WASHINGTON, DC, UNITED STATES, January 27, 2026 /EINPresswire.com/ -- As the nation prepares to mark its 250th anniversary, Rosewood Washington, D.C. introduces America's 250th Celebration, a collection of three exclusive hotel experiences thoughtfully curated to honor Independence Day in the Nation's Capital. Available to book beginning today, the offerings invite guests to experience July 4 from an insider's vantage point, blending historic significance with Rosewood's signature refinement.

Set along the historic C&O Canal in Georgetown, Rosewood Washington, D.C. is one of the city's most distinguished luxury addresses. Recognized with Michelin Two Key distinction, the hotel is defined by its residential elegance, Federal-style architecture, and intuitive, personalized service. Rosewood's three America's 250th Celebration experiences are outlined below:

America's 250th Celebration by Rosewood - A once-in-a-generation four-night experience for up to eight

Presidential Suite at Rosewood Washington, D.C.

CUT Above at Rosewood Washington, D.C.

guests | \$250,000

Designed for those who expect nothing short of perfection, this extraordinary four-night stay unfolds within the hotel's expansive four-bedroom Presidential Suite.

From arrival to departure, every detail is seamlessly arranged, including first-class round-trip airfare, private airport transfers, and a dedicated driver throughout the stay. On July 4th, guests enjoy exclusive tickets to the rooftop celebration at CUT Above, providing a front-row seat to the fireworks show.

The experience continues on the Potomac River with a private 41-foot yacht excursion with a personalized, curated lunch, followed by an unforgettable six-course dinner at CUT, accompanied by premium, sommelier-selected beverages crafted to delight even the most discerning palate.

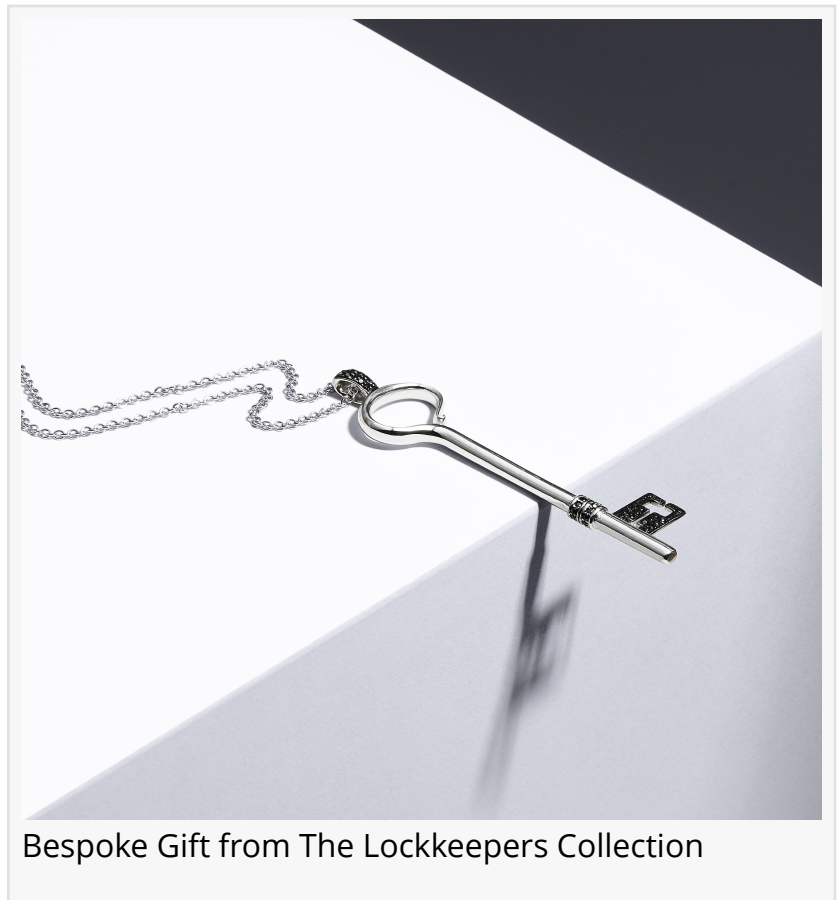

Guests will also enjoy a privately guided museum tour at one of Washington, D.C.'s most historic institutions, providing an intimate perspective on the artifacts and stories that have shaped the nation.

As a final and enduring gesture, guests will receive four bespoke fine jewelry keys from The Lockkeepers Collection, LLC—exquisitely handcrafted pieces designed by Sherrie Beckstead. Her concept and design for this limited-edition collection, rendered in 18-karat gold and gemstones, is inspired by her deep love for preservation, education, and the oldest existing building on the National Mall: the Lockkeeper's House.

Beyond the extraordinary craftsmanship and symbolism, each commemorative key serves a meaningful purpose: a portion of proceeds directly benefits the Trust for the National Mall, supporting the preservation and stewardship of the nation's most iconic civic landscape. The custom farewell gift serves not only as a rare collectible, but also as a lasting tribute to history, heritage, and the responsibility of safeguarding America's legacy for generations to come.
