About Us

Daze Puzzle is a daily hub for crossword and puzzle fans. The platform did not begin with a formal business plan; its name comes from the team's first mobile game, Daze Puzzle. The site launched a blog with guides for popular games. During the pandemic, as games like Brain Test went viral, the blog unexpectedly gained traction.

Over time, Daze Puzzle discovered its true purpose was not creating games, but supporting a daily puzzle routine for a growing community. Its mission is to help puzzle and word game lovers worldwide by providing fast, accurate and easy-to-use solutions. Therefore, players can enjoy the satisfaction of solving without the frustration of being stuck.

By combining human expertise with careful verification, Daze Puzzle delivers trustworthy content, maintains transparency and keeps the platform free and accessible as a reliable companion for players who need a helpful nudge.
