

CTW Cayman Announces the Release of 'Miss Kobayashi's Dragon Maid Fantasia' on G123

CTW Cayman announces the release of the browser-based RPG "Miss Kobayashi's Dragon Maid Fantasia" on its G123 platform.

MINATO-KU, TOKYO, JAPAN, January 30, 2026 /EINPresswire.com/ -- CTW Cayman (Nasdaq: CTW) announced the official release of the browser-based RPG [Miss Kobayashi's Dragon Maid Fantasia](#) on its HTML5 game platform [G123](#).

Miss Kobayashi's Dragon Maid Fantasia is an RPG set in a virtual reality game world, where characters from the popular anime series Miss Kobayashi's Dragon Maid become trapped due to an unexpected system malfunction. Players progress through the game as Miss Kobayashi and her companions work together to overcome challenges and search for a way back to reality. Play Now: <https://s.g123.jp/u94uwtvu>

The title features familiar characters such as Tohru and Kanna, who appear as playable allies equipped with traditional RPG job roles including warrior, mage, archer, and thief. Each character can be developed through equipment upgrades and role customization as players advance through the game.

To commemorate the launch, CTW Cayman announced an in-game campaign in which players who begin playing during the campaign period can obtain the ally character "Telne." Telne is designed to support players during the early stages of gameplay.

□ What is "Miss Kobayashi's Dragon Maid"?

Tohru, a dragon girl, suddenly appears at Miss Kobayashi's apartment and ends up with her as a live-in maid. Though she tends to look down on humans, Tohru is utterly devoted to serving the Miss Kobayashi she adores. Unfortunately, her enthusiasm often leads to results that are just a bit off the mark...

This everyday supernatural comedy follows the laid-back life of a single, overworked corporate employee and her well-meaning—but hopelessly clumsy—dragon maid!

□What is G123?
