*A Legacy Butcher Shop Brings Its Celebrated In-Store Quality to LA Doorsteps*

RIALTO, CA, UNITED STATES, January 28, 2026 /EINPresswire.com/ -- Don Peter's Carniceria, a respected Southern California brick-and-mortar butcher shop known for premium meats and exceptional customer service, has officially launched a new e-commerce website supporting home delivery in the Los Angeles area. The new platform marks an important milestone for the business, allowing customers to enjoy the same high-quality products that were once available only in-store, now delivered directly to their homes.

Family-owned and operated, Don Peter's Carniceria has earned a loyal following by never compromising on quality. The shop offers USDA Prime beef, premium cuts, the highest-grade Australian-certified MS8 Wagyu, and Japanese-certified A5 Wagyu, renowned for its exceptional marbling and flavor.

## Increasing Accessibility to Premium Meats

The launch of the beloved butcher's new delivery service was designed to extend the core values of Don Peter's Carniceria beyond its physical location. Customers throughout the Los Angeles area can now browse, select, and order premium meats online with confidence, knowing that every product reflects the same high standards that built the shop's reputation.

Orders are cut fresh, carefully prepared, and shipped frozen to preserve peak quality. Customers looking for convenient, regular delivery of top-quality meats can also subscribe to receive curated meat delivery boxes from Don Peter's Carniceria. Meat lovers can sign up for weekly, bi-weekly, or monthly deliveries, and additional discounts are available for purchases of \$120 or more.
