

Todd and Amy Underwood's New Book Debuts as #1 Amazon New Release in Christian Dating & Relationships

Letting Go: The Key to Holding On to Your Marriage Offers Christ-Centered Hope for Couples Facing Disconnection, Betrayal, and Restoration.

ORLANDO, FL, UNITED STATES, January 29, 2026 /EINPresswire.com/ -- In a culture where many marriages quietly unravel under the weight of unresolved pain, unspoken trauma, and emotional distance, Todd and Amy Underwood offer a raw, redemptive, and deeply hope-filled invitation to healing in their new book, *Letting Go: The Key to Holding On to Your Marriage*, published by HigherLife Publishing.

Rather than beginning with betrayal or crisis, *Letting Go* takes readers upstream by exploring how early wounds, unexamined beliefs, and vows formed long before marriage shape patterns that later affect relationships. Written as an honest back-and-forth conversation between husband and wife, the book weaves personal story, spiritual insight, and practical reflection into a journey of surrender, forgiveness, and restoration rooted in Christian faith.

Letting Go is available in print and digital format

"This book is not about trying harder or fixing your spouse," says Todd Underwood. "It is about letting go of control, false narratives, and survival strategies that no longer serve you, and

allowing God to do the rebuilding work only He can do.”

Amy Underwood adds, “So many couples are carrying trauma they never had language for. Healing does not begin with blame. It begins with truth, safety, and grace.”

Structured in two parts, *Letting Go* first walks readers through the Underwoods’ own story marked by childhood trauma, emotional disconnection, separation, and surrender, before moving into a workshop-style section designed to help couples reflect, engage, and take meaningful steps forward. Throughout the book, readers will find short reflection sections called Accelerators that include focused insights, prayers, and action steps intended to help translate understanding into real-life change.

Marriage counselors, pastors, and therapists are already calling *Letting Go* a standout resource for couples in crisis. Dave Carder, author of *Torn Asunder* and *Anatomy of an Affair*, writes, “This book reminds us that loving and letting go without controlling or distancing is an art designed in heaven and modeled by Jesus on earth.”

Rooted in Scripture and lived experience, *Letting Go* speaks to couples navigating infidelity, emotional distance, past trauma, or the slow drift that so often erodes connection. Its message is clear. Restoration is possible, not through willpower, but through surrender.
