

# Big Apple Triathlon Registration is open NOW

*Early Access Sparks 24-Hour Rush for Clubs, Colleges, and Early Subscribers*

NEW YORK, NY, UNITED STATES, February 2, 2026 /EINPresswire.com/ -- [Registration](#) for the highly anticipated [Big Apple Triathlon](#) on October 10, 2026, has officially opened Monday 12:00 AM EST. After a 24-hour Early Access Window reserved for clubs, teams, colleges, and early subscribers, general registration is now available to the public. The event features two distances — Sprint and Olympic — with a capacity of 1,250 athletes in each distance.

[Alpha Win](#) expects rapid sell-outs. Following Early Access, registration will proceed through three pricing rounds: Round 1 (first 500 entries per distance), Round 2 (next 500), and Round 3 (final 250). Athletes who register earlier secure lower pricing and greater certainty of entry.

The Big Apple Triathlon is set to be the marquee event of the 2026 triathlon calendar. Featuring a swim in the Hudson River, followed by a bike on the West Side Highway, and a finish line in iconic Central Park, this race is not one to miss.

## Registration

## About Alpha Win

Alpha Win is a triathlon and running event operator based in Saugerties, New York. Since its founding in 2011, Alpha Win has produced more than 150 triathlons and running races all over the United States. Alpha Win's Vision is simply reflected in their motto since 2011, "A Distance for Everyone®," and is achieved by producing multiple race distances in desirable destinations that are geared to each participant's unique level of training, endurance capacity and personal goals. Alpha Win is dedicated to providing the professional quality of a national event producer while delivering the personalized service of a local race organizer. Visit [www.Alpha.Win](http://www.Alpha.Win) for more information.

Alpha Win logo

We designed the Big Apple Triathlon to deliver an exceptional race experience for athletes of all levels. With limited capacity and tiered registration, we encourage athletes to register early."
