

Kasmo, a PROLIM company, has been recognized as a Snowflake Elite Partner

PLANO, TX, UNITED STATES, February 5, 2026 /EINPresswire.com/ -- Kasmo, a [PROLIM](#) company, has reached the [Snowflake](#) Elite Partner tier, the highest level in the Snowflake Partner Network. This achievement recognizes Kasmo as part of a select group of global partners known for advanced Snowflake expertise, delivery excellence, and consistent customer success on the Snowflake Data Cloud. Being named a Snowflake Elite Partner highlights Kasmo's proven ability to

design, implement, and scale cloud-native data platforms that enable organizations to modernize analytics, accelerate [AI](#) adoption, and generate measurable business value from their data. The designation is awarded to partners demonstrating deep technical certifications, strong go-to-market alignment, and a sustained record of successful Snowflake implementations.

“

Kasmo being named a Snowflake Elite Partner affirms PROLIM's data and AI expertise, reinforcing our commitment to helping customers turn data into actionable insights with Snowflake.”

*Prabhu Patil, Founder & CEO
of PROLIM*

Being recognized as an Elite Tier partner underscores the power of our collaboration with Snowflake and our shared mission to empower data-driven organizations,” said Rajesh Pawar, CEO of Kasmo. “With Snowflake Intelligence and agentic AI, enterprises can engage with data more intuitively, unlock actionable insights, and achieve meaningful business outcomes.

“Our Snowflake practice has been built around one priority—helping customers generate real business value

from their data,” said Ananth Viswanadhan, Director of the Snowflake Practice at Kasmo.

“Achieving Elite Partner status reinforces our commitment to deep technical excellence, strong governance, and outcomes-driven delivery on the Snowflake AI Data Cloud.”

This recognition highlights PROLIM and Kasmos' continued dedication to strategic partnerships

and their focus on providing industry-specific, high-impact digital solutions across manufacturing, energy, utilities, financial services, and technology sectors.

About Kasmó
