

ACCESS Receivables Management Acquires Baltimore Credit and Collection Services, Inc. (BCCS)

BCCS and Access Receivables are both members of The International Association of Commercial Collectors (IACC).

BALTIMORE, MD, UNITED STATES, March 2, 2026 /EINPresswire.com/ -- [Access Receivables](#) Management, a leading provider of commercial and consumer debt collection services nationwide, announced today that it has purchased certain strategic assets of Baltimore Credit and Collection Services, Inc. ([BCCS](#)), a Maryland based company specialized in domestic and international commercial debt collection. This strategic move aims to expand the Access commercial portfolio domestically and internationally. It will provide BCCS clientele with expanded service offerings and capitalize on the combined expertise and vision the companies share.

The acquisition will provide significant benefits for clients of both companies. Clients will benefit through a wider array of international service offerings, strong data security and certifications, enhanced client portal access and more.

Quotes from Key Executives

Tom Gillespie, President said, "The combination of ACCESS Receivables and BCCS creates more opportunities for all clients. It expands our domestic and international footprint in the commercial market and gives BCCS clients additional assurances for data protection, certifications and continued investment in AI and technology. Access serves large enterprise B2B companies, state and county governments, insurance, telecommunications, logistics and more. BCCS Founder and President, Robert Holt said, "This acquisition aligns perfectly with our

Most Influential Comp[any] for 2025

decades long commitment to our clients to provide exceptional collection results, personalized service and a wider array of services. It sets a new benchmark for excellence in the industry".

"A partnership was formed with Access Receivables to help us transition our business to the best possible partner. " Commented Robert Holt, BCCS. "Our shared values and commitment to innovation will allow us to deliver exceptional outcomes for all our stakeholders".

Transaction Details

Robert Holt, CEO of BCCS, will be a consultant to Access during the transition period. Other details of the transaction were not disclosed.

“Clients will benefit through a wider array of service offerings, strong data security and certifications, enhanced client portal access and more.”

Tom Gillespie
