SCOTTSDALE, AZ, UNITED STATES, February 2, 2026

[/EINPresswire.com/](https://EINPresswire.com/) -- Bianchi & Brandt will host clients, colleagues, and friends for an invitation-only experience at the exclusive 1937 Club during the WM Phoenix Open, February 2–8. Set within TPC Scottsdale's iconic Stadium Course, the event brings together leaders from across Arizona's business and cannabis communities for a week designed around connection, conversation, and enjoying the tournament.

Hosted alongside valued partners JARS Cannabis and Ponderosa Dispensaries, two of Arizona's most established operators, the 1937 Club offers one of the tournament's most refined hospitality experiences. The venue features premier views of the 18th green, upscale amenities, curated food and beverage offerings, and an atmosphere designed for conversation, connection, and meaningful engagement. The invitation-only event reflects Bianchi & Brandt's long-standing belief that strong businesses are built on trust, shared experiences, and genuine relationships.

"Relationships are at the center of our work, but it's just as important to create space to relax and enjoy time together," said Justin Brandt, Co-Founding Partner of Bianchi & Brandt. "The WMO gives us that rare opportunity to step away from the day-to-day, have some fun, and spend quality time with the people we value." Laura Bianchi, Co-Founding Partner of Bianchi & Brandt, echoed that sentiment, emphasizing that trust and long-term relationships guide how the firm works with its clients and colleagues, shaping its approach both inside and outside the office.

Brandt's involvement in the event also reflects his broader engagement with Arizona's business, civic, and sports communities. In addition to his legal practice, he is a co-owner of Phoenix United, a Grass League franchise, underscoring his belief that golf, like business, creates space for people to connect, collaborate, and build partnerships.

The 1937 Club gathering exemplifies Bianchi & Brandt's relationship-driven approach to business and its commitment to creating thoughtful, high-level experiences that reflect the firm's values and the clients it serves..
